Editorial

When I came last Thursday, my mind full of dreams, I did not hope that you would all offer me such a pleasant show. I'm the French Federal doctor, here to watch over everybody's health on the field during those 24th F3A world championship. Thank you all for showing me such mutual assistance, understanding, friendship and fair play even if it seems to be sometimes difficult. Remember that we are all part of the same family who likes all what is able to fly. I know that there will be only one winner but you are all the best pilots around the world.

Be careful with the sun and with the wasps.
Enjoy your flights and your stay with us.

Doctor Michel OCIEPKA.
